

NORTHEAST BAPTIST SEEDLINE Winter 2019

“The Lord gave the word: great was the company of those that published it.” - Psalm 68:11

Seedline news

Every December my travel schedule slows down. Usually our last project of the year is the weekend before Thanksgiving, and while December is still busy with holidays, our church's Christmas play, our seniors ministry Christmas luncheon, etc., I always like to take some time and reflect on what God has done throughout the year. This year we produced almost 600,000 John and Romans in English, Spanish, French, Lithuanian, and Bulgarian. We were in twenty-eight churches and one Christian school for projects this year. We were able to represent the ministry during several conferences throughout the year. Even after over thirteen years full-time in Seedline, I still can't believe sometimes that God allows us to serve Him in this ministry. What a blessing and a privilege to be a part of a ministry that truly has a global impact by printing and publishing the Word of God! I'm so thankful for all that God did in 2019, and as we look forward to 2020 I can't wait to see what God has in store for us. May the year to come find us faithful as we labor in the Word.

Missions trip

In September of 2020, I'll be going on another Couriers for Christ missions trip, this time to Berlin, Germany. We will be working on German John and Romans in the first part of the year, and even now I would ask that you pray for the Scriptures that are assembled, the people that are preparing for the trip next fall, and the souls in Berlin that will receive a copy of the Good News!

Special announcement

After fifteen years at Valley Bible Baptist Church, the Lord has called Pastor Foster into a new ministry. The Fosters will be relocating to Milford, OH where Pastor will be the academic dean of the First Bible School of Translation, a new graduate-level college that is being started in the fall of 2020 by First Baptist Church of Milford, the home of Bearing Precious Seed. Please pray for the Fosters as they embark on this new endeavor, and please pray for Valley Bible Baptist Church as we search for a new pastor.
