

# NORTHEAST BAPTIST SEEDLINE Spring 2020

*“The Lord gave the word: great was the company of those that published it.” - Psalm 68:11*

## Seedline news

Had I written this prayer letter several weeks ago, life would have seemed normal with all of the usual things going on. As I write it today, however, everything is different. This is Day Ten in which we haven't left the house with the exception of running a few local errands. You can't turn on the news without being bombarded with coronavirus updates and predictions. My two projects for the last two weekends in March have been postponed, and my next scheduled project which is the week after Easter at a Christian school in Pennsylvania is now obviously in question. There is so much uncertainty in our world today, but thankfully we know where we can go for answers and comfort: the Word of God! While our ministry might be on a temporary hiatus right now, God's Word is still going forth, still being proclaimed, and still changing lives. Praise the Lord that nothing can stop God's Word!

We have finished the German project and most of those Scriptures have been sent back to BPS in Milford, OH to be shipped at a date later this spring/summer. Please continue to pray for the Couriers for Christ distribution campaign this September in Berlin, Germany. We are currently working on English and Spanish John & Romans for Northeast church planting and for Mexico City, respectively. Our home church, Valley Bible Baptist, has a man and his family coming in to officially candidate for the pastorate; pray that we will be able to meet together as a church body so that we can vote on our new pastor. Pray that God would continue to guide and direct our church and ministry through these uncertain and changing times.

Thank you so much for your continued prayers and support of our ministry. The Lord is coming soon; until then, may we remain faithful laboring for Him!

Scott, Tina, and Samantha Sandy
