

# NORTHEAST BAPTIST SEEDLINE Summer 2020

*“The Lord gave the word: great was the company of those that published it.” - Psalm 68:11*

## Seedline News

While I normally send my prayer letter out quarterly, (this one wasn't due to go out for another 6-8 weeks) I did want to pass on some important updates, which are included under the other headings. I also wanted to take a moment and say thank you to each and every one of you for your continued support of our ministry during this time. We appreciate your prayers and financial support and want you to know that we do not take those things for granted. The Lord is faithful, and we are trusting in Him to provide for our personal and ministry needs as He always has. The coronavirus has affected a great many things, but God is still in control and His Word is still going forth and making a difference all over the world. Praise the Lord for His Word!

## Berlin Missions Trip

Due to Germany's coronavirus restrictions, the Couriers for Christ campaign that had been scheduled for September of this year has been rescheduled for September of 2021. Even though the campaign has been delayed a year, please continue to pray for the shipping and distribution of the German John and Romans and that the people of Berlin would be receptive to the Gospel.

## New Pastor

This past Sunday our home church, Valley Bible Baptist, voted unanimously to call Rob Sisco as our new Pastor. He and his family have been with us for over a month now, and we are excited about what the Lord has in store for our church. If you would like to contact Pastor Sisco please let me know and I will get you his contact information.

## Bulgarian Container

This past March the Bulgarian John & Romans that we assembled last fall shipped to missionaries Nick and Katie Maulucci in Varna, Bulgaria. This is the seventh container of John & Romans that they have received, and they are well on their way to completing the enormous task of placing a Bulgarian John & Romans into every home in the country of Bulgaria.
