

NORTHEAST BAPTIST SEEDLINE Winter 2020

"The Lord gave the word: great was the company of those that published it." - Psalm 68:11

Seedline News

Having enjoyed playing golf for most of my life, I couldn't help but think of the year 2020 in terms of a round of golf. We did nine projects from January - March (the front nine) before COVID-19 restrictions on traveling and gathering caused us to go on a bit of a "hiatus." After a few months home, we were able to get back out and we completed nine more projects from August - November (the back nine). When looking at the final scorecard, Northeast Baptist Seedline completed just over 400,000 John and Romans in English, Spanish, French, and German. And just like a typical round of golf (at least for me anyway), there were some highlights and lowlights throughout the year. You might say we made a few birdies and a few bogeys; we had some excitement and we had to overcome some challenges. Sometimes we had to put the previous hole behind us and focus on the next hole, or even just the next shot. And yet at the end of the year, we signed our scorecard with another round completed. Despite the hardships of this very unique year, God has been so good to us. He provided me with some part-time work for a man in our church who has a construction business that allowed me to earn a little supplemental income, which was a huge help and blessing. And our support has remained very steady throughout the year. As we look forward to 2021, we know that God is in control, and we look forward to another year of serving Him.
