

# NORTHEAST BAPTIST SEEDLINE

A ministry of Valley Bible Baptist Church

*"The Lord gave the word: great was the company of those that published it." - Psalm 68:11*

Many years ago I had someone tell me that the only thing in life that is constant is change. From a human viewpoint, that has certainly proven to be true. As I think back over my life, there have been graduations, job changes, the arrival of children, and relocations from Ohio to Michigan to New York. Some changes that many went through I never had to experience. I never switched schools; I went to the same Christian school from K-12. I never lost a parent, a sibling, or a child. And yet, life was always changing. Sometimes change was exciting, and other times change proved to be quite difficult.

As I think of just this past year, we have certainly experienced change in our church and family. We had two men in our church pass away this year. One was somewhat sudden and the other was after a long battle with cancer. For their families, this has certainly been a year of change. While it is comforting to know that they are both in Heaven, it is still difficult for their loved ones. Also, our daughter Samantha just got married this past December 4th and has moved to Connecticut. It has certainly been different not having her around anymore.

And yet, despite the constant change around us, what a comfort it is to know that God says in Malachi 3:6 "For I am the LORD, I change not;" and Hebrews 13:8 tells us that "Jesus Christ the same yesterday, to day, and for ever." God doesn't change, and neither does His Word! And so we rejoice to see another half a million John & Romans in English and Spanish go out in 2021 in five shipments back to Bearing Precious Seed in Milford, Ohio. We look forward to assembling more English and Spanish, along with French Creole, Ilonggo, and Hungarian as we begin 2022. And we are excited to see the project schedule filling up, and we are praying that we can get back to thirty or more projects in the coming year.

Thank you for partnering with us to get the unchanging Word of God to an ever-changing world!
