

# NORTHEAST BAPTIST SEEDLINE

A ministry of Valley Bible Baptist Church

*"The Lord gave the word: great was the company of those that published it." - Psalm 68:11*

As I sit here and type this prayer letter it's two days after Easter Sunday, and I'm looking out the window at the over ten inches of snow that we got last night. You gotta love upstate New York weather! That's just a snapshot of the crazy year it has been so far. We have had to postpone/reschedule three projects due to sickness. We have dealt with major weather issues on at least four projects, and another project saw a truck issue that could have been a major problem but ended up being an easy fix. Despite all of the struggles, the Lord has helped us complete 110,000 Hungarian John & Romans for Budapest, 50,000 Ukrainian John & Romans for Ukrainian people that have fled their country for Hungary, Romania, and Poland, and some English and Spanish John & Romans for Northeast church planters and Mexico City, respectively. It's been a little over two years now since all of the Covid stuff started, and yet the Lord has allowed us to assemble almost 1,000,000 John & Romans in that time. His Word is still going forth! His return may be close, and we don't know how much time we have left, so let's commit to keep going and keep serving Him while we have time. Even so, come, Lord Jesus!
