

# NORTHEAST BAPTIST SEEDLINE

A ministry of Valley Bible Baptist Church

*"The Lord gave the word: great was the company of those that published it." - Psalm 68:11*

## New Trailer!

Thank you to all who prayed for and gave toward the purchase of our new trailer. This will be such a tremendous upgrade to our ministry, one that was very much needed. I can't wait to get it on the road starting next month, as we have nineteen projects scheduled for January through May. We'll be continuing with Spanish for Mexico, as well as helping with a large English project for New Zealand and another English project for a campaign in Trenton, NJ.

## Scripture Production

2023 saw the production of over 640,000 John and Romans, the most we've ever done in a single year! We were also on the road for a record thirty-five projects this year. We worked on five different languages: English, Spanish, Bulgarian, Russian, and Polish. This fall we completed a Spanish project with a special cover for the Yucatan Peninsula in Mexico; these were sent back to BPS to ship in early December. Praise the Lord for His Word going forth in 2023!
